

Defect No	001
Name	Duplicate item after double click (or more) on wishlist
Date Found	20/01/2018
Reported By	Akbar Basuki
Address/ URL	http://automationpractice.com/index.php
Version	
Module	Wishlist
Priority	High
Description	
<p><b>Actual Result:</b> item on wishlish is more than 1 after add wishlist by clicking more than 1</p> <p><b>Expected Result:</b> double click or more, the adding item to wishlish should be only 1 item</p> <p>Clicking "Add to wishlist" is function to add the selected/viewed catalogue to WishList of user. It's possible that sometime user mistakenly click "Add to wishlist" more than 1 (double click). Current system would create the item wishlish more than 1 (as many as user click). System should validate that how many user clicked the "Add to wishlish", the added catalogue to wishlish shall be only 1.</p>	
Replication Procedure	
<p>Case 1 (no wishlish available yet)</p> <p>Pre-requisite: Delete all wishlish items from an account</p> <p>Step:</p> <ol style="list-style-type: none"> <li>1. Log in to system by using valid emal and valid password</li> <li>2. Access detail of any catalogue</li> <li>3. Click the "Add to wishlish" more than 1 (double, triple, or more)</li> <li>4. Access to user Account</li> <li>5. Access to user Wishlish</li> </ol> <p>Actual:</p> <p>There are more than 1 item (as many as clicking the "Add to wishlish") on wishlish with the same item</p> <p>Expected:</p> <p>There is only 1 item, with detail quantity, color and size before clicking "Add to wishlish"</p> <p>Case 2 (any wishlish available)</p> <p>Pre-requisite: Ensure there is any wishlish item on user</p> <p>Step:</p> <ol style="list-style-type: none"> <li>1. Log in to system by using valid emal and valid password</li> <li>2. Access detail of any catalogue</li> <li>3. Click the "Add to wishlish" more than 1 (double, triple, or more)</li> <li>4. Access to user Account</li> <li>5. Access to user Wishlish</li> </ol> <p>Actual:</p> <p>The new added item is added to wishlisth with 1 item, but the Quantity is <b>multiplied</b> as many as clicking the "Add to wishlish".</p> <p>Expected:</p> <p>The new added item is added to wishlisth with 1 item, and the detail quantity (<b>no multiplication</b>), color and size are the same before clicking "Add to wishlish"</p>
